SALT LAKE CITY 2019 INTERNATIONAL CONVENTION

Welcome back to Salt Lake City!

It has been fourteen years since our International convention was held here in 2005, and it is great to be back to enjoy the local culture and hospitality along with thousands of barbershop performers and fans from around the world.

We have a busy week planned, so pace yourself and take in all the quartet, chorus, and Next Generation contests; the AIC Family Harmony, World Harmony Showcase, and Saturday Night Spectacular shows; and select from over 75 Harmony University classes running throughout the week. And don't forget the Tag Zones!

Take advantage of the opportunity to renew old friendships, create new ones, and sing and ring tags with singers young and old. Say hello to someone you've never met and invite them to sing a tag with you. By the time you leave Salt Lake City, you'll have made dozens of new friends.

Above all, savor the warm, accepting, and encouraging culture that is the hallmark of our Society. Thank you for joining my wife Roxanne and me to celebrate our love of music and witness first-hand the power of Everyone in Harmony!

Yours in harmony,

Society President

Don't miss the opportunity to meet and talk with Dick Powell and other Society leaders at the Town Hall Meeting Saturday at noon in Little America Hotel - Sawtooth.

Determining Relative Rank

Music

Music is defined as the song and arrangement, as performed. The Music Category judges the arranger's skill and the performer's musicianship in bringing the mood or story of the song to life, and the suitability of the material to the barbershop style.

Performance

These judges evaluate how effectively a performer brings the song to life. They judge the entertainment value of the performance - the *art* of the performance.

Singing

In the Singing Category, artistic singing in the barbershop style is judged - listening holistically for ringing in-tune voices that use a free, beautiful and rich vocal quality, which is wonderfully unified and vocally expressive.

Each judge may award up to 100 points per song.

Read more about each category in-depth at Barbershop.org/contests

WHO ARE WE?

Phi Mu Alpha is the world's oldest and largest fraternal society for men in music. We were founded October 6, 1898 at the New England Conservatory in Boston, Massachusetts.

THE POWER OF MUSIC

Our National Philanthropy, the Mills Music Mission, brings healing through the power of music and brotherly care to those who reside at hospitals or nursing homes, affecting thousands in need each year.

"Harmony is ever to be the noble aim of our beloved society – harmony not only in music, but in the life within the fraternity, and in the broader and fuller life beyond its portals: it is the harmony whose music is felt in the hearty handclasp, heard in the cheerful greeting, seen in living notes in the generous act."
