GREG CAETANO

Greg is back for two Pio District Conventions in a row. Greg is from the Chicago, Illinois area and is the Society Board Member representing the 96 chapters of the Central States District (60) and the Illinois District (36) for the 2008 through 2010 term.

When not barbershopping Greg spends his time being a Linux technology engineer for the Hewlett-Packard Company.

A member of the Northbrook, Illinois Chapter and a member of the Society since 1986, Greg has held numerous chapter and district offices including district president. In the past he has served as a judge, teacher and coach, and has contributed to his district's performance manual. He currently serves on his chapter's music committee and holds a lifetime membership in the Barbershop Harmony Society

Greg has competed internationally in four separate years including 2006 and 2007 with the Northbrook chorus.

So we are graced with still another been-there, done-that guy for all things barbershop in administration, education and performance. Let us again give Greg a giant Pioneer District welcome.
