# Prologue

The contest you will see and hear today marks the 13th time that our District has assembled to choose a winning foursome to reign for a year as the District Champion Quartet.

Not only do we choose the Champion of all, we also select a winner in three classifications.

## 1. SENIOR CLASSIFICATION—

This includes quartets who have competed before in either District or Regional Contests and have placed in any spot except that of District or International Champion.

## 2. JUNIOR CLASSIFICATION—

This classification includes quartets who have competed before but have never won in the classification in which they were entered, have never been as high as third in a District Contest, nor have they represented the District at an International Contest.

## 3. NOVICE CLASSIFICATION—

This classification includes all quartets who have never before competed in either a District or Regional Contest. The District Champion may be from any one of the three classifications.

As a matter of information for those who are not familiar with our procedures, contests, such as this to select a District Champion are now held annually in October, and, in the spring of each year we hold a second contest to select District quartets to represent us at the International Contest. These spring contests are called Regional Preliminaries and the number of quartets which each District may enter in the International is decided by the membership as of March 31st. Michigan has had as high as five but last year was allotted three of the 40 quartets that competed at Kansas City in June.

These are the official contests and except for the Bush League Contest at Boyne City in February for Novice and Junior quartets are the only ones held. All other barbershop affairs which go by many names, such as Parades, Jamborees, etc. are strictly for entertainment. These are going on all over, not only in our District, but all Districts all the time.

It's always interesting to keep your own score at a contest but don't feel badly if you don't agree with the judges. Each of them is a specialist in his particular category and the total points from all categories decides the winner, while all you can do is get the over-all picture created by what you see and hear.

**PRELIMINARY No. 2 — 1:30 P. M. to 3:00**

Master of Ceremonies Louis R. Harrington, District Sec'y, Detroit  
Song Leader — Bill Otto, Mio, former Assoc. Int'l Sec'y

**J A M B O R E E — 3:30 to 5:30 P. M.**

Introduction of M. C. by Howard Tubbs, District President  
Robert G. Hafer, M. C., Associate International Secretary  
Song Leader —

NOTE—This marks the first attempt of our District in staging a show by the eliminated quartets. The intent of this show is to give these quartets an opportunity to show their wares as entertainers when not under the tension caused by competition. Furthermore, it is to serve as an incentive for the quartets to enter since, to come long distances and be permitted to sing only two songs and not be heard again keeps many good quartets away.

Your support of this show is earnestly requested by your District officers in order to prove that the word 'Encouragement' is in reality just what it implies and not just an extraneous word in our Society title.

**FINALIST CONTEST — 8:15 to 10:30 P. M.**
