THE PIONEER DISTRICT WELCOMES

Leon S. Avakian of Asbury Park, New Jersey is the International President of the 35,000 member Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America (S.P.E.B.S.Q.S.A.). His election took place at the barbershop harmony society's 35th annual convention in Portland, Oregon in July of 1973, and his term of office commenced January 1, 1974.

Avakian is a long time Barbershopper, having joined the society in 1950. Since that time he has been active in nearly all administrative branches of SPEBSQSA. He is Past President of the Mid-Atlantic District Association of barbershop chapters (the society's largest) and also served on the Society's International board of Directors.

He is married and has two sons. In business life he is president of his own engineering consulting firm.

YOUR WINDSOR HOST

If you want information, advice, a fourth for a quartet or any little thing that would make your stay in Windsor more pleasant, just hail the closest man with a Host Badge. They're all Windsor Chapter Members and under the Chairmanship of Andy McCann, they've tried to make this Convention truly 'a Harmony Holiday.

KOINS FOR KANSAS

Windsor Chapter is providing singing posts in the form of "Koins for Kansas Kans" during the Convention. The idea is, if you're a quartet—stand around the "Koins for Kansas Kans" and sing...and if you're listening—drop Koins in the Kans in direct relation to how much you liked the singing. We figure by Sunday Noon the Kans will be overflowing and the Institute of Logopedics will be that much richer.

BEST OF LUCK

In our parish our pastor was trying to encourage better participation in singing the new hymns. "Remember" he said, "if the Lord gave you a good singing voice, this is the way to thank Him. If he didn't, this is also a good way to get even."
