# LOGOPEDICS

## HIGHEST PER MAN LOGOPEDIC DONATION IN DISTRICT

The Kalamazoo Chapter has done it again! For the fourth year in a row the Kalamazoo Chapter has led the District in donations per member for Logopedics. Late in December "72", I received a call from the Kalamazoo Chapter saying they were making a donation to Logopedics and would I come over and accept the check. You bet I would! As you can see by the picture, the check for this donation was for one thousand dollars!!!

Just in the last four years the Kalamazoo Chapter has donated \$4,925.00. Man--that's a bundle of money...Averaged out per man, that comes to over \$107.00 per man for the four year period. That's a record we could all be proud of.

1972 was a good year for the Pioneer District. We moved into 6th place in average donation per man throughout the Society. At this point there are only 5 Districts ahead of us. I feel that this is real progress as we moved up a couple of notches this year. Although we are in 6th spot, there is a \$9.00 average difference per man between our position and top dog, so you see we still have a ways to go.

Here are a few ideas to help raise money for Logopedics that have been successful in other Districts. Package Shows---Sing Outs---Raffles---Auctions---Area Wing Dings. Then a few ways to get the wives involved: Bake Sales---Garage Sales---Rummage Sales---Bottle Pick Up---the list is endless. Let's all keep up the good work, and we might be number one for Logopedics before long.

Say---what about that Spectacular we talked about before? Let's hear from you Chapters that would be willing to host a Logopedic Spectacular. It's time for the Pioneer District to put on another really "Big One". Let me hear from you Chapters out there. You know International is ready and waiting to help in these Shows, and I'll help in any way I can. Let's get one going soon. SEND REPLY TO: Lowell Wolfe

Yours in Song and Service,

Best lead-bari or bass in Pioneer District, also Logopedic Chairman; well--maybe Van Tassel might be a better lead.

## HARMONY WEEK APRIL 8-14th

This year Harmony Week occurs the second week in April. It marks the founding of our Society by OWEN C. CASH on April 11, 1938. Something special will occur this year. We will pass the \$1,000,000 mark in the level of our contributions to the Institute of Logopedics. That ought to be worth some publicity in our local and regional news media. Chapter publicity men should be looking in their mail boxes for the kit coming from International with sample material which can be tailored to fit your chapter. It has been suggested that a proclamation should be drawn up by the Chapter and then have the mayor sign it. Notify the local newspaper that it will be signed and ask them to have a photographer there to record the signing. In one city we know of a local quartet sang for the City Commission during the signing, and got publicity such as the community had not previously received. After all, "We sing...that they shall speak", but if we do not sing, and if no one knows about it, very little will be accomplished. ATTITUDE? ACTION? ANYONE?
